RENEWED PETITION UNDER 37 C.F.R. § 1.47(a)

U.S. Patent and Trademark Office
Randolph Building
401 Dulany Street
Alexandria, VA 22314

Sir:

Applicants renew their petition under 37 C.F.R. § 1.47(a) for acceptance of the Response to the Notice to File Missing Parts mailed July 18, 2005. Charge Deposit Account No. 19-0733 for any fees which may be due.

There are three (3) inventors listed on the declaration:

William E. Beschorner;

Carlos E. Sosa; and

Scott C. Thompson

However, only William E. Beschorner signed the declaration.

A declaration of Nathan D. Bills is attached and explains how diligent attempts were made to obtain the signature of the non-signing inventors Carlos E. Sosa and Scott C. Thompson. As Dr. Bills' declaration demonstrates, the non-signing inventors are unavailable to sign the declaration.

Applicants request that the application be accepted as complete even though two of the inventors, Carlos E. Sosa and Scott C. Thompson, are unavailable to sign the declaration.

Respectfully submitted,
BANNER & WITCOFF, Ltd.
